Stirrup Guide

Step 3:
A) Install new PC Board.
B) Connect wiring to PC Board.
C) Install stirrup guide.
D) Perform Association Procedure.

Step 2:
A) Tag and disconnect wiring from PC Board.
B) Remove PC Board.

Tip: Push latches back, then lift off of mounting studs.

Association Procedure:
A) Disconnect power to the table for at least 3 seconds.

B*) Reconnect power, wait for the power up beep sequence from the table, then press & hold the **Stop** & **Home** buttons on the **wireless** controller until you hear three "beeps".

* Note: Step B must be performed within 10 seconds of the power up beep sequence from the table.

C) Check for proper operation of wireless controller.

D) If associating a hand **and** foot control, repeat procedure using the other wireless controller.
